

2020 Summer School Application

In order to meet the demands of the society, Nam Kue school intends to continue to offer summer program this year, providing meaningful learning activities for students, so that they can have a meaningful summer vacation. Moving in the static, work and rest is a style of teaching that are highly welcomed by students and parents. This year, the school will increase the classes of Hulusi, Fine Arts, Chinese Kong Fu, etc. It will add new elements into this year's summer classes, bringing greater vitality. We believe that this summer will be more interesting, more exciting, and more successful.
